marley

there was a rumor going around campus that my friend Bailey told me about that this teaching assistant to Mr. Mason, Preston, had a big cock. I'm not sure how she got her information because he was pretty quiet and reserved. Apparently she heard of it from a girlfriend of hers that said she "did him." A few weeks later, at a frat and sorority mixer, her was there, chaperoning.

DRESSED TO THRILL

Dressed in a dark business suit with a sharply pressed white shirt, he looked HOT! I gave him a casual 'hello' as I walked by to get a drink from the bar. He came over to refill his and started up a conversation asking if I was in one of his classes. I said 'No' and he started hitting on me hard. Next thing I know my jaw dropped in amazement as he took his cock out. It wasn't long after until I was bouncing on it.

I know this may be hard to believe for some of you but you're looking at a spectacular 19-year-old that's ready for prime time. She's absolutely gorgeous and looks like she's made for sex. Mere mortals like us would never approach someone like Rhianna if we saw her on the street, but the secret is that she has just as many insecurities as anyone else. The lesson here is that if you see someone like her, talk to her! Her insecurities will probably outweigh yours, so go for it.

STOP YOUR DROOLING

Or else someone else will. You'll be surprised to know that she doesn't really have that much sex in her personal life, despite what her looks might infer. After exploring her amazing body, she'll work on making herself cum with her fingers as they wander from her pussy to her ass. Then she tries a vibrator on herself and she's almost shocked at how good it feels. While she masturbates with it, take a moment to reflect on what got you here.

Give me a ring sometime

The stunning, raven-haired girl was having a powerful but strange effect on Maryellen

I'm a jewelry maker. I do a little pet-sitting and dog-walking to supplement my income, but the bulk of my money comes from selling handcrafted jewelry. I sell some at events like crafts fairs, street fairs, and the like and some through local stores that take pieces of mine on consignment. Friends occasionally host "jewelry parties" for me, as well, at which I sell my creations. I'll never get rich, but I very much enjoy what I do. I'm always on the lookout for new materials to use in my jewelry-crafting—stones, beads, or what-have-you—so when a new wholesaler advertised, and I saw they were only about 40 miles from here, I decided to go check them out. They advertised that they had a showroom and welcomed prospective buyers in person, so I thought I'd go at my first opportunity.

It was a Friday afternoon when I found that opportunity and headed up Kennedy Highway toward the showroom. It was past 3:00, but I figured I'd get there by 4:00 and have an hour to look around. That ought to do it, I figured.

There were two people in the showroom when I got there—a guy wearing a coat, who seemed to be another visitor like me, and a girl with stunning long black hair, dark eyes with very long lashes and thick brows, a thin nose, scarlet lips, and pale skin. Her appearance was exceedingly striking, and I thought she ought to be a model instead of working in a showroom. Tall and thin, yet with curves in all the right places, she looked like she should be posing in jewelry ads, not selling jewelry. Looking at her, I wanted to be her.

Finally the fellow with the coat left, and the saleswoman turned to me. Flashing a warm smile, she apologized for the delay and said her attention was entirely mine now. "I can stay late, too," she added, "if you can't make all your choices by 5:00. Take your time. What can I show you? Oh, by the way, I'm Alina."

As we moved from display case to display case, I was aware of the proximity of Alina's body to mine. She seemed less concerned than most people with keeping a comfortable space between us. Several times she actually brushed against me, apologizing with a lazy insouciance that made it obvious she wasn't at all concerned about her body touching mine that way.

Even when she wasn't touching me, I was acutely aware of her nearness. It was almost as if her body were emitting waves of heat that reached out and pulsed against me. What's more, they seemed to somehow be heating my body as they reached me.

I was reminded of something…or someone…but at first I wasn't aware of who or what it was, only that the sensations were familiar. Somewhere about 20 minutes into the showroom tour, I connected with the memory. And how could I have forgotten?! Carleen was in my dorm during my sophomore year of col-

lege. She transferred to another school in her junior year, and in my freshman year I hadn't been aware of her, but I spent my whole sophomore year acutely aware of her...and of wanting her the way I usually wanted guys.

Was that what I was feeling now for Alina?

I blushed at the thought, and Alina noticed my face flush. "Is it too warm in here for you?" she asked, putting a sympathetic hand on my arm. Her bold touch only made me blush more fiercely. A small smile turned up one corner of her mouth. "Maybe you'd like some ice water?" she offered.

Though I wasn't really thirsty, I accepted because it was easier than remembering how to say No. When Alina pointed out that it was now past 5:30 and asked if I'd like to join her at a nearby place for something stronger than ice water, I still didn't remember how to say No. She wrote up my order, and I followed her car with mine to a club, where she led me to a table and we ordered drinks.

It was only after that that I realized all the patrons of the establishment were female. And only after that realization did I come to another: that some of the girls there were holding hands or stroking each other. What kind of place was this?!

That was when I felt Alina's now-shoeless toes stroking my calf. As I watched two girls exchange a scorching kiss in a secluded booth, Alina's exploring toes, nylon-covered and very bold, worked their way determinedly up my leg. Suddenly my panties were more than just damp. Suddenly I was shivering. Suddenly I felt totally out of control.

I had heard about places like this. I had wondered about places like this. But I had never been in such a place. Now here I was, with a stunning lady who apparently thought I was a lesbian...and I didn't want to tell her she was wrong.

Or maybe she wasn't. Well, I'm not a lesbian... but maybe, I thought, I'm bi?

When she reached across and planted her lips softly but determinedly on mine, I found myself responding to the kiss, parting my lips, seeking her tongue, welcoming it, and then echoing her motions with my own tongue. Then her hand was on my thigh, lightly stroking, teasing. She made no attempt to reach my crotch...and I found myself wanting her to.

"Let's finish these drinks and get back to my place," she said, her voice even huskier than its usual low register.

At Alina's house, she undressed me and then herself, licking my belly while her fingertips trailed up and down my thighs. She was quite a tease, licking from just at the base of each breast down to my pubic patch without ever quite hitting paydirt. I was standing naked beside the bed, and my legs were feeling distinctly wobbly. Finally I had to break away from her and sit down on the bed. She pushed me into a lying-down position and crouched on hands and knees alongside my midriff.

"Nice. Lovely," she said, gazing at my breasts. Then she bent to kiss one coral nipple, her lips barely brushing the suddenly-stiff tip.

"Suck it," I croaked hoarsely. "Lick it. Do something to it."

She chuckled but complied, taking the nipple between her teeth and scraping lightly at the sides, pulling it, teasing it, then unexpectedly darting her tongue out to lick it. Releasing my nipple with her teeth, she concentrated on swirling her tongue around the promontory, tempting my body, turning on a veritable faucet between my legs.

The odor of my pussy wafted up to my nose. It caught Alina's attention too. "Mmmmm," she purred, dipping a finger unerringly into my slit and bringing it out glistening with the juices that coated it. She took a loud slurp at her finger, which meant removing her tongue from my nipple. Though I mourned the loss of her mouth from my breast, I felt a strange thrill course through me at the sight of her relishing the taste of my juices.

"Your turn," she said. "Taste yourself." And she put her finger back into my slit, deliberately dragging it through my slushy crevice slowly and teasingly before removing it and offering my juices to my lips. I stuck out my tongue, not at all hesitant, and licked her finger clean of my essence.

"Now taste me," she said, selecting a different finger to drag through her slit before bringing it out,

just as slick and sticky and gleaming, and offering the finger to my lips. Unhesitatingly I licked it clean, my pussy welling with a fresh supply of sauce as I tasted Alina's musk on her fingers and became aware that we tasted different from each other. I beelined for her slit and drew my finger through the warm wetness, feeling the thick, slick juices coat my finger liberally. Her warm, fragrant sauce tasted even better from my own finger, and I quickly lapped that finger clean and returned for more. When I did, I became aware of how swollen and elongated her clit had become, and I couldn't resist twiddling it a bit. A bit led to a bit more, and soon I was full-out frigging her pulsating promontory.

Alina sighed as her body tensed with want. Surprising myself, I told her, "Lie down and let me go down on you." Then I scootched over to make room for her, and she lay next to me. I got up on my hands and knees between her legs and extended my tongue, touching down first on her thighs and taking my sweet time working my way up toward her fragrant, soft puff of pubies.

Alina's body tensed, twisted, and arched as my tongue finally made contact with one puffy, lust-swollen labe. Closing my teeth around the tender tissues, I chewed lightly on her lovelip while she squirmed in the throes of all-encompassing need. I switched to the other labe and gave it equal treatment, but the fumes from her overwrought pussy kept drilling deep into my senses as they speared their way up my nostrils, and I gave in to temptation before she even got a chance to beg me. Dropping her labes in favor of her clit, I thrust out my tongue and went questing.

It wasn't hard to find. Sticking up proud and needful, eager for attention, her clit was pink and slippery and totally obscene—and wonderful. I tickled at the tip with my tonguetip, then took long, swooping strokes across it. Gradually my strokes became tighter and tighter, shorter and shorter, till I was drilling her with precision and with intensity.

Alina muttered some mumbled phrases that were totally incoherent in their garbled passion but that clearly meant she was enjoying what I was doing yet was in need of my completing her quickly. I turned up the pressure on her by thrusting three fingers deep up inside her pussy pocket and jamming them in and out of her as I continued to lick her quivering clit.

Then I reached up and grasped one of her nipples, tweaking it insistently as I continued to lap at her ready-to-explode clit. My own clit was nearly ready to explode too, though nobody was touching it. I felt myself quivering near the edge of orgasm, turned on incredibly by lapping my first-ever pussy. Moving a bit to the side, I positioned myself over one of Alina's legs and dropped down so I was riding that leg, then began to grind shamelessly against it as I ate her out.

My clit made contact with her calf's hard bone, and as I lapped at her clit I fucked her leg like a humping dog. We both got off simultaneously, Alina's pussy going off in my face while mine shattered into a million shards of cut glass as a tremendous explosion took possession of my body.

When Alina could talk again, she said, "I owe you one."

"I just got off," I said, surprised that she didn't realize it.

"I know," she explained, "but not the way I did. Let me get myself together and I'll give you the tonguing you deserve."

"Then I'll be one ahead of you again," I reasoned.

"And won't we have fun playing catch-up all night," she chuckled.

As I was leaving, hours later, Alina said, "Give me a ring sometime next week."

"Beaded or turquoise?" I teased, alluding to my jewelry-making.

"Would you like me to deliver your order personally?" Alina asked with a twinkle in her eye.

"Only if you'll accept a suitable tip for your services," I replied, my own eyes sparkling.

"The tip of your clit will do fine," she answered.

The tip of my clit was throbbing all the way home as I replayed the evening in my mind. I could hardly wait for the order's delivery. I decided I'd have to place a lot of orders with Alina's company from now on...so there'd be plenty of personal deliveries!

Ever since I moved to Los Angeles twenty years ago, my sex life has been the bomb. Especially since I got into this business and I can have sex anytime I want – with almost anyone I want. That's been a dream cum true for me and I've loved every minute of it. Like this shoot, for instance. Just look at L.T. and his yummy cock. I can't wait to get my hands around it and yank it a few times.

I'M NOT FAKING IT

Then I'm going to swallow it whole. Then... it's going to fit nicely in my tight pussy Just see how tight it looks in these photos!) and fuck me with it until I cum. We may have to have a 'who's gonna cum first' contest. And then I can say I had a blast today with all the fucking. We must have gone at it for three hours or more. And man, did he do me right. I think I'm going to sleep well tonight.

She entered the bathroom in nothing but a towel. Her ass was looking incredible, as she stepped foot into the bathtub. As she was finishing, her man came in, and they started to get down, Adria returned the favour by giving him an amazing blowjob. He then licked her pussy and ass to get her ready for sex. Once they were both ready, he gave her pussy a good drilling, but that was just the beginning. Adria got on top and rode his cock up her asshole in some super hot anal.

FILL MY TIGHT ASS

She kept taking his cock deep into her butt in different positions, as she had several anal orgasms, she told us. Turns out, her tight little butt hole got a serious workout. And when her man couldn't take it anymore, he pulled out and thanked her with a massive load all over her pretty face. An amazing sexual romp, even if we say so ourselves.

Stefany just can't seem to get a good internet connection working. Her wifi is out and shes trying to get find a healthy pasta recipe for tonight's dinner. Looks like shes gonna have to call up a repair man. He gets there pretty quick, so quick in fact that she forgets to clear her browsing history and cache. So now this guy knows she's a freak and thinks he might want to take advantage of the situation.

FILL MY TIGHT ASS

She decides that it's time to stop fantasizing and finally try the real thing. He takes off his shirt and she quickly loses her clothes and drops to her knees to undo his pants. She grabs the repair guy's cock and from there, its pure pussy and anal bliss. This guy's thick cock barely fit into tight little brown hole, but with some persistence it fit in effortlessly and give her one of the most rewarding sexual experiences she has ever had.

A pair of best friends kick it up a notch

surrendering to my desire

Oh my god, she's kissing me!" I thought, rooted to the spot for a moment in astonishment. I had no idea my friendship with Shannon was going to go to a whole new level that weekend. I was just 18 years old and at Shannon's house. Her parents were out of town for the weekend, and we were planning to spend the time hanging out by the pool in her backyard.

One minute we were standing in the bathroom, changing into our bathing suits; the next, Shannon's tongue was searching within my mouth. I imagined her hands reaching up to cup my breasts… only I realized it wasn't my imagination. Her hands were on me where only boys had touched me before. Yet I didn't pull away.

"Feels nice, doesn't it?" she asked with a smile on her face. I was too shocked to respond. Or was it that I was too caught up in the feelings that were coursing through my body, making their way straight to my secret area? Sure, she was beautiful by any standards, but I had never thought of her in that way. She had been my best friend since grade school.

Her mouth covered my left nipple and began sucking. I pushed her head into my breast, wanting her to do it harder. She took her hand and rolled my right nipple between her thumb and forefinger as she continued sucking, biting gently, and driving me crazy. She clasped both my breasts in her hands and pulled me ever closer.

"Just relax. You're going to like this," she promised as her hands began a further exploration of my body. Gently she brought me to the floor, and I found myself lying on my back. The gap between my legs grew wider as I waited to see if what I wanted would happen next. My mind struggled between what was right and what seemed surely wrong. Then I felt her kisses going lower.

"No." I said. But that was my head talking. My body was saying Yes. Part of me wanted her to stop, but the other part of me wanted her to ignore my refusal. Part of me was anxious, the other part of me horrified. What if someone were to find out? I pulled away fiercely, once again stating my refusal.

"What are you doing to me?" I asked.

"Not as much as I'd like to be doing." she smiled and reached for me again.

She stopped, though, and we managed to make it to the pool with our bathing suits on. We swam and I tried to forget how turned on I had gotten when she kissed me. After that, we decided to go in and watch a movie, neither of us mentioning what had happened before. I thought about leaving, but the memory of her tongue probing inside my mouth changed my mind.

Changing into dry clothes, we sat on the couch. Shannon sat closer to me than usual, and I didn't stop her. She leaned over and kissed my lips softly. I returned the kiss, feeling the urgency building up inside me. I kissed her neck, her mouth, then her neck again, then lifted her

shirt over her head so I could see her beautiful breasts. She was breathing deeply, her head back and her eyes closed.

Suddenly she reached for me, and her hands slipped beneath my panties, already wet, and pulled them off with a deftness that told me she had done this before. "You're driving me crazy." I barely breathed out the words.

"Now then," she said, while teasing me with her fingertips, "I must be doing something right."

She continued to touch me, gently checking back every so often at my face. Whatever she saw in my eyes seemed to give her the permission she needed to continue. She took her own clothes off, slowly and tauntingly, so that I might see her nakedness fully. I was definitely turned on. She had one of the most beautiful bodies I had ever seen.

Her body was strong, smooth, and tan. Her breasts were beautiful. My eyes were immediately drawn to the spot between her legs. She was completely shaven. The shock of desire I felt was so strong it felt almost like pain. I wanted her badly. She began stroking my hair gently.

"Maybe we should go upstairs to your room," I said, once again feeling some hesitancy.

"Sure," she said. "Follow me." I walked behind her, admiring the tightness of her ass. She had no tan lines at all, and her long, thin body was wonderful to look at. We went into her room, and she locked the door behind us. Sitting on her bed, I looked into her eyes, and her tongue teasingly ran across her lips. "I want to taste you," she said, looking at me longingly. She reached for me again, and I pulled back, hesitant. Then I let loose a little laugh, "Shannon, I've never done this before," I said.

"It's okay," was her response. "I won't hurt you, I promise."

I believed her. I wanted her, but I was afraid. It was like the first day at school, or the first time a boy touched your breast...it was a mixed feeling of anticipation and concern. I wanted it, but then again, I was bothered, worried.

She lay next to me on the bed, and I pillowed my head in the space between her breast and her arm. I could smell her expensive perfume mingled with what could only be her desire. My body was tense with anticipation. I longed to touch her beautiful body. I wanted to run my hands across every inch of her. I wanted to feel the weight of her breasts as I cupped them.

She began rubbing her hands up and down my legs. "I want you," she said, smiling at me again with that beautiful face. "Are you going to tease me all night?"

I knew it was now or never, so I pulled her in for a kiss. Playfully I darted my tongue in and out of her mouth. Her lips were so soft, and her mouth was filled with heat. There was no denying it now, "I want you too," I whispered.

She reached for my hand and guided me to the place where her pleasure waited. I didn't flinch when she placed my finger inside her. "That feels so nice," she murmured. A feeling of heat and wetness surrounded the tip of my finger.

I instantly wanted my tongue to replace my finger. I wanted to lick her all over just to see what she tasted like. I had never tasted another girl before but knew it would be sweeter than cotton candy and would melt in my mouth quicker.

She took me into her arms as passionately as any boy had ever done. It was soft and gentle, not hurried or quick. She was drawing the desire out of me. It was a lesson in the agelessness of craving. I wanted her more now than I had ever wanted anyone. My body was on fire; every trace of her fingertips left a trail of heat across my skin.

She was in control. I was helpless in the wake of by her whims. I didn't care anymore what anyone might think if we were caught together. She watched as she stroked my body, checking the pressure of her fingers ever increasing and decreasing as she found the spot that made me squirm.

She began to stroke me with her finger. I loved what she was doing. I loved her. I wanted it to last forever. Her finger stopped. "I told you I wouldn't hurt you," she said

looking into my eyes. The finger continued. I was nearly out of my mind with pleasure, not fighting it anymore. It was foreplay that felt like it would go on and on forever.

"Lie very still," she commanded. "I'm going to do all the work." It was like a fantasy come true. I lay still the way I always had in my secret dreams. It felt so good, lying back passively while she did all the work. I could feel my body heat rising as I lay there with one arm slung above my head, trying not to move, though that was hopeless.

Involuntarily I began to twist and turn. My ass pushed into the bed as the pleasure she dealt me grew ever stronger. I didn't think I could hold out much longer when she placed her mouth on my pussy. She worked her mouth and tongue in ways I had never experienced before. Looking up at me, she let her tongue delve farther inside me.

Seeing her eyes watching as she licked me made me want to explode. "Get on the floor," she demanded, and I willingly obliged. I could feel the hardness of the floor against my back. She once again began her exploration of my most inner place.

I could see the juices from my body on her lips. I watched as her tongue flitted in and out, making me hotter and hotter. She inserted her finger inside me as her tongue worked my clit. Her other hand reached up, making circles on the skin surrounding my nipples. Flipping me over, she pushed my face to the floor and, grabbing a pillow from the bed, she placed it beneath me.

With my butt in the air, she entered me again with her tongue. I pressed my hands to the floor, and my body arched as she drew me nearer to climaxing. I could hear the sounds she made as she took what she wanted from me. It was getting harder and harder to hold back as my body came closer and closer to the pinnacle of my desire.

I lost all sense of place and time as she hungrily continued

licking, sucking, and nibbling me. I turned over onto my back as she spread my knees apart and continued her assault on my clit. Grabbing her hair, I held on tight while moaning and purring with pleasure. "Oh yes, yes!" I cried as I came. And yet, the best was still to come.

She didn't stop there. Greedily grabbing my ass, she pushed my body tight against her mouth, delving and pushing until I couldn't stand it anymore. I let go and felt with every core of my being the awesome and intense passion she drew from me. In a white-hot explosion, I came again and again.

It was done way before I wanted it to end, though I knew it wouldn't be truly over until I had tasted her. She wasn't protesting. I began my own exploration of her body, tracing the curves and valleys of her big, beautiful breasts. A small moan escaped her, and she closed her eyes. I touched every spot on her body.

When I placed my lips against her skin, I could feel the heat her body let off in anticipation of what was to come. I followed a path straight down the middle of her body with the tip of my tongue. How I longed to feel her wriggle beneath me!

Slowly, gingerly, I licked at her mound as she squirmed back and forth. She was warm and wet, and I could smell the perfume of her sex all around me. I continued to work her beneath my tongue. I touched the rest of her body with my fingertips and inserted my tongue deeper. She was lost in her own world.

She began rocking her bottom back and forth, pressing herself deeper onto my tongue. I grasped her ass as hard as I could and pulled her deep onto my face. I knew she had finished when her body stopped quivering.

She kissed me deeply and tenderly before pulling her clothes back over her frame. Then she looked at me for a long while, I was unable to speak. Finally she spoke quietly and said, "I've always loved you, you know?"

Laughing gently I said, "Never like this." I drew her in for another kiss. We held each other as I told her, "I don't think anyone has ever loved me like this."

We curled our bodies together, exhausted, and fell asleep easily. The next day, in celebration of our new relationship, Shannon and I made plans to broaden our sexual horizons. It was an experience I wouldn't soon forget and one I planned to repeat over and over.

There are times that we men, and women, have to take a step back; a deep breath; a hard second look at the female form. And when she comes wrapped as a girl named Paige, how can you resist. Besides her soft, beautiful black hair, come hither look, and perfect bare breasts, we find our tongues aching for a taste of that sweetness. She'll slowly work her fingers in and out of her mouth,

LIFE WORTH LIVING

savoring their womanly taste. She slides her hand between her thighs and her well-manicured finger part the doors to her treasure box. Soon her fingers move in an achingly slow and purposeful motion that gradually intensifies in her loins and as her hunger grows, she's soon using her favorite vibe to satisfy her desires.

Kristina

When we think that Kristina ended up having more fun than we did watching her, that must mean something. First she confonted a large hard cock, then another, and finally a third. She handled them expertly and said she was ready for more. While she had done a threesome before, and lots of anal sex, she admitted she had never done three guys.

THREE INTO ONE

Nor a double penetration. Admittedly, she was quite nervous but wanted to feel all those big beautiful hard cocks inside her. Now she's ready for her first dp experience! We found out that this girl is very vocal and you can tell her pleasure and pain from her constant moans and cry's. After all this fun, her little pussy and asshole cannot take anymore, even though she says it all with a smile.
